Please note this provides a summary of your plan. Full terms and conditions are available on request.

The Agreement is provided by The Warranty Group Services (Isle of Man) Limited (we/us/our). TWG Services Limited (the Administrator) administers the Agreement on behalf of the Provider.

What the Agreement provides

We aim to provide a safe, high quality service to maintain and repair your vehicle for the period selected.

What is included in the Agreement

The Agreement is for maintaining and repairing your vehicle and includes:

Periodic Maintenance Inspection

One maintenance inspection of your vehicle during the term of the Agreement and annually thereafter for agreements of more than one year. Your Supplying Dealer will complete the periodic maintenance inspection after you purchase your Agreement for your vehicle. If, however your Supplying Dealer is unable to perform the periodic maintenance inspection, please contact the Administrator for details of our preferred repairer. The Supplying Dealer or our preferred repairer will complete a Periodic Maintenance Inspection Form to show you what he or she has checked.

Maintenance

Labour and parts costs for repairs to maintain your vehicle if an included part suffers a failure to perform its function (including maintenance repairs required following a manufacturer's service), up to the repair value selected at time of Application and subject to the Maintenance and Repair Conditions.

Breakdown

Labour and parts costs for included parts in the event of a breakdown which immobilises the vehicle, up to the repair value selected at time of Application and subject to the Maintenance and Repair Conditions.

 - arises from the failure of a component identified in the initial Maintenance inspection

- Dismantling - in the first instance, you will need to pay for the dismantling of the vehicle so that we can check if the problem is included in the Plan. If it is, we will also refund the dismantling costs in line with Autodata.
